

IN BETWEEN US (COMPLETE SERIES) [DELUXE EDITION]

I, Raj, a 19 years young boy at that time. It all started with this... I am having tough time with my girlfriend as we recently broke up after I caught her cheating on me, we didn't sleep together as well. I was frustrated because of that. I called my closest friend Mira. She is my one and only best friend I had since childhood. Mira and I were basically neighbours. She lives two house next to me. To describe her figure she is actually a quite smaller than me in height but with a large set of boobs and a chubby figure. It's quite rare of girls in her age to have such body because she was 2 years younger than me. You can say she's a perfect 10. At that time we use play and hangout together, spend a long time together and shared all of our secrets with each other. My girlfriend kinda jealous of her, seeing her too close to me but I told her many times that she only my friend. After I called her to my house at 4pm in the noon, I told her everything about I being cheated. She kissed me in my cheek and let me put my head in her shoulder. She also has a boyfriend so she can understand my situation. After sometime, she hugged me tightly had said I will always there for you. Feel free to share anything to me. By hearing this I gained some confidence on me. She then left the house by kissing my forehead. I thought she actually had a crush on me because I have a quite masculine figure at that time but I always looked her as my friend or my little sister.

At 7pm, she called me and said she will having a small party at her house so can I join her. She said this can help me to come out from the depression I had, so I agreed and went of to her house or I can say her apartment because it was a newly built 6 storey apartment so no one were there at that time except their family. She lived in the second topmost floor of that building. She recently shifted there from another building of that locality. I went upstairs and reached there. I rang the bell and after that she opened the door. It was not her but her mother. She is a young, tall, and shy woman. She's a widow in her mid 30s. Her name is Gita. I actually had a crush on this woman for a long time. She is been a motherly figure to me and she's also sees me as her son. She talked to me a lot before but after her husband died in a car crash she's always been sad and pale. But she talked most of the time with me. I didn't tell this to anyone (not even Mira) that I have once masturbated while having thought of Gita aunty. I called her aunty. She is one of a kind woman. She has some ginormous boobs and a huge ass. Imagining her body would give me a shivering all over my body. She has a cute little face that I can't even forget my entire life. As she opened the door I was only staring at her boobs. It's like they are gonna fell out of her blouse. She was wearing a pale yellow half transparent saree and a red blouse under which her bra strips were visible to me. I got some sensation in my entire body but didn't get any erection at that time. She welcomed me to her house. I went inside following her to the living room. There I saw Mira and her boyfriend, Shyam, setting on the floor with a glass bottle. I didn't realise anything at that point of time. They welcomed me and I sat beside Mira and aunty also sat beside me. After that Mira said to Gita aunty that I have broke with my girlfriend and had a pretty tough time. She listened everything carefully and then began to rub her hands to my thighs and said 'Sab thik ho jayega chinta mat karo...Mai hu na. Tumhe jab bhi kuch jarurat ho to mujhe bolna bas'. I was in a quite shock to heard this and thanked here to

understand my situation. I was still staring at her boobs. I felt so good at that time but she noticed me and said 'chalo khelna suru kare'. I instantly realise it and said what was the game? Then shyam said 'It will be a game of truth and dare'. And began to explain the game to me. Shyam was a very friendly guy with me. We don't share much time with each other but we are in good talking terms.

He is a guy who follows me blindly. For him, I was like the Godfather and follows everything I say. He always obey me more than his own parents since I saved him from a regular bullying in school. He was the same age as of Mira. He was too much comfortable with me being around Mira. I think he wanted to see me fucking Mira. He was a skinny guy but he has pro skill in video games as I played with him sometimes. I had a relationship with his mother as well (But I will tell that another time).

Then we began to start the game I have the first opportunity to spin as I have that breakdown. I spin the bottle and it landed on me. I choose dare and Shyam asked me to kiss Gita aunty. I, aunty and Mira we are in shock to heard that. He really is a dumbass. I looked toward Gita aunty. She was too shy to look at me even at that situation. She hesitated at first then agreed to kiss me and here I am a guys whose dream is gonna come true in front of his eyes. I took the initial step and come forward. He didn't even mention that it should be a lip kiss but we thought of that only. I brought my face towards aunty and kiss her with all my experience but believe me she was really better than me and never felt that good. Our tongue even touch. It lasts for around a minute but it took all my breath off. After that she looked at me and smiled quietly. I got her signal that she likes it as well. After that Shyam had the chance to spin the bottle. He spins it and it landed against Mira. Mira chooses truth and now it's turn for aunty to ask her anything. Aunty asks her that if she likes any other men than her boyfriend, Shyam. I somehow feels like she's taking revenge on what Shyam did to her. Seeing this between her mom and daughter, I don't know why but feels excited heavily. Mira started to say that she has someone in her mind all the time other than her boyfriend. I and Shyam were both in shock and also excited to know who was he? Shyam excitedly asks her who was he and she shyly answered it was me. I was not too shocked to heard my name because I was assuming it somehow. When I looked up to Shyam's face, I saw no anger in his face. He surely didn't give any reaction to it. Mira soon after revealing this, started to blush. I saved up my courage and took my hand to her thighs and rub it well to cheer her up a bit. And now it's aunty turn to spin the bottle, it landed on Shyam against me. Now I have already set something up in my mind for sometime. I waited for it and now it's the right time to apply. He choose dare. I asked Shyam to see me kissing Mira right in front of him. I and Mira lip locked together in no time. We both doing it well and like passionate lovers. It went for about 2 mins. I looked at him but I surprised to saw that he does even jealous of me a bit. I can see a glaze in his eye. It may happened that he aroused by seeing us kissing. Soon its late to go home, so we finished playing it. I opened up my phone. It was 9 O'clock at night. I was not in such hurry as my parents were out on a family trip. After a while, Shyam eventually wants to hurry up to his house so as I. Shyam left the house around 9:15 and there were only three of us in the house. Gita aunty asked me if can stay in her house that night but I also have to go to my house as no one was there. She resisted me to stay there and said ' Itna raat ho chuka hai ab ghar jake kya hi karoge. Aj yahi

pe hi ruk jao. Main tumhare mummy se baat kar lunga'. I said ok, if they agreed I will stay here tonight. She called my mother and asked that if I can stay in her house. My mother agreed to it because she was a good friend of my mother and somewhere Mira also insisted me to stay there. Now, I became excited imagining what will happen to me after spending a night with this two beautiful woman.

Imagining the situation, it suddenly got me a boner. My dick was erected. Auntie and Mira were staring at it like hell. It was a moment of silence. I took a long breath to break the silence. They both came out from that trance. Mira didn't react to me as she was shocked to see it. But auntie gave me a beautiful smile and I understood it. After that, she went off to kitchen for cooking some food. I and Mira, we both went off to her room. At first we started watching a romantic movie and then we slept together cuddling each other. I got an erect dick and she was letting me rub it on her ass as we were sleeping. After a while we both woke up as auntie called us for dinner. As we having dinner, I said to Gita auntie that 'You made the best food that I had ever eaten. I can eat this food for my whole life'. She started blushing. She was a bit shy but was open to me. I told 'I want a wife like you but I can't because you are the only one'. She even blushed more and naughtily smiled at me. I can observed a glance of jealousy on Mira's eyes. Then we finished having dinner. I washed my hands and went to Mira. She was watching some movies on the TV. She invited me to watch it with her but I was not interested in it as I hate watching comedy movies. I turned around and saw Gita auntie washing the dishes in the kitchen. Something clicked on my mind. I went to the kitchen and asked auntie if I can help her washing those dishes. At fast, she insisted by saying that 'you are our guest, it is not fair that you are doing this work and I can handle all this by myself' but I insisted and she agreed as there are too many dishes. I started to clean the dishes and suddenly my eyes got stuck on something. It was her huge melons. They were clashing with each other as she was shaking her body while cleaning. I was so aroused to see that beauty. After a while a spoon dropped on the floor from her hands and she bend down to pick it up. Her ass was right in front of me as she bend. It got me a sudden boner again. I wasn't control that thing. I rushed to the washroom but she saw my boner for a second and I got there to cool it down. After that I went to the living room and asked auntie where can I sleep. She told me to sleep anywhere I like to. Mira requested me to sleep with her and told that she felt scary at night. So without an hesitation I, being an absolute pervert, agreed upon her. We get back to our room. Mira closed the door and we patiently sat on her small crouch. Then she asked me if I had sex with anyone. On hearing this my heart stopped beating. I said 'no and you'. She said never. Within a sec, we were kissing each other. She lip locked me and it went for 15 mins. After that I managed to pull myself out and said to her that 'we shouldn't do these things'. She turned on to me and looking into my eyes and said 'I had never have sex with shyam as he wasn't interested in sex. I always masturbated in shower while thinking about you'. I excitedly asked her 'what kind of thinking you had of me?'. She said 'I think of you pounding me from back and pulling my hairs'. This really turning me on. I replied 'but I always think of you as my sister'. She said 'I have a photo of your dick that I had clicked on one day you were sleeping naked'. I sleep naked during summers when I feel too hot. She continued my saying 'I had given you a blowjob while you were sleeping and I swallowed all your cum'. She added 'One day, while

you are bathing, I masturbated outside while seeing your dick'. I shocked out and realised that one day I kept open my bathroom door as the lock was broken. Then she said 'If you don't want to then I will not force you'. I don't want to miss this perfect opportunity and I said 'I want to do this too'. Her eyes were glazing towards me. We started kissing each again and undressing each other in a rush. I threw her on the bed and started squeezing her boobs.

Believe me it was so soft and warm. I started licking her nipples and suck them tightly. She moaned in joy. I started kissing her on lips, her neck, her boobs, her naval to all the way down to her pussy lips. I started licking it and she moaned with joy. I know that I can do it better. I pushed my tongue all over inside her pussy. She gasped and I was tongue fucking her. I started pressing her boobs at the same time. She was continuously moaning. After 20 minutes, she came on my face. She pulled me towards her and started to lick my face. The aroma was amazing from her body. I was fully erected by now. Then she push me to the bed and kissed me. She took the control and began to kissing my whole body. She went down on me and started to stroke my dick. She gave me a hand job for 5 mins and kissed the tip of my dick. Then she spat on my dick and took my 7' inch dick in her mouth. She was giving me an absolute blowjob by her tongue. Then I pressed her head on my dick and deepthroat her. She was ran work of breathe so I released her. She was surprised by my move but was enjoyed it. After 15 mins of intense blowjob, I came in her mouth. She obediently swallowed it all. After that she kissed me and said 'I want you to fulfill me and be one with me'. I replied 'You are only mine and tonight I will show you the heaven'. I threw her on the bed. I took my dick and started to rub it on her pussy and teasing her. We are in missionary. Then I slowly put it in her pussy. She told me 'Please do it slowly as this is my first time'. I said 'Do worry I will do it carefully. At first it will pain a bit but later you get that pleasure. Just hold me tightly'. I inserted my dick inside her slowly. She was crying in pain and scratched to my back so I kissed her. I went inside her completely. It was bleeding a bit as her hymen broke. I was still kissing her and slowly started to moving my hips. Within a few strokes, her crying started changing into pleasuring moaning. I took the control and began to increase my speed as I was near the climax. After 25 mins, I came deep inside her. Her legs were still shivering. I kissed her again. She said 'It was my best experience in life. I came 3 times with you'. I put my dick out and saw some blood stains on it. Her pussy was leaking out my semen. We both went to the washroom and had another session for about an hour under the shower. We cleaned each other. I want to do it again but she was very tired after two sessions. So I decided to sleep as it was 12 at night. She wanted to sleep naked with me and so I.

At around 3am, I suddenly woke up as I need to go to washroom. After I return I saw Mira sleeping fully naked and her ass invited me over to fuck. I went near her she was fully asleep. She was a heavy sleepy girl. I want to have sex with her as I hadn't have enough. I went behind her and tried to put my dick in her ass. She disturbed and in a deep sleep state said 'Today I have enough. We will again enjoy tomorrow. Now sleep baby'. She told it in a sleepy tone. I was not happy after hearing this. Suddenly I got thirsty and want some water. There was no water bottle in that room. So, I thought it was in the fridge. I opened the door slowly and went to the kitchen. I drank some water from the fridge and went to Mira's

room. After coming from the kitchen, I noticed that Gita aunty's room's door was opened a bit. I opened the door and was shocked.

Gita aunty was sitting on the bed and watching reels. She was wearing a semi transparent nighty. Her sky blue lingerie set was clearly visible to me. She looked at me and said to come in. I somehow controlled myself and entered the room. I locked the door and sat on the bed beside her. I lowered my voice and asked her 'Why was she awake this late night?'. She smiled and came near my ears and whispered 'I know what you two were doing at her room?'. I gained my confidence and confidently asked her 'Do you like it?'. She said 'What?'. I replied 'When I kissed you during the game'. She shyly answered 'Yes, I feels so young after that'. I asked 'Do you want it again?'. She blushed but didn't replied anything. I got the green signal. I hold her by her waist and push her towards me. Now we can feel each other's breath. I whispered in her ears 'You are looking very sexy in this lingerie'. She said 'You are a naughty boy'. And added 'Am I looking so attractive to you? I am an old lady you know'. I kissed her immediately and said 'No for me you are the most beautiful woman I have ever seen'. She blushed again and asked 'Am I more beautiful than my daughter?'. I said 'Yes, you are the most beautiful one'. She kissed me and we are lip-locked for 10mins. She took her hand into my pants and started rubbing my dick. It got erected too early. I threw her in the bed and we started undressing each other. I kissed on her bra and took it off. We both were completely naked by this time. She cried and said 'I want to do it for so many years. I hadn't have sex with anyone but I don't know why I felt so close to you'. I cooled her down and said 'I will fuck you like a monster tonight'. I pinched her nipples and started licking it. She was moaning loudly. Then I went down on her and saw her pussy. She didn't shave it for a while. It was hairy. I licked it for a while and she cumed twice. She was getting horny. She pulled me towards her and kissed me and said 'Put it in now baby. I want to feel you'. I was not ready yet and thought of teasing her a bit. I took my dick and started rubbing it on her pussy. While parting her pussy with my dick, I saw her going wild by her face. I said 'beg for it baby'. She started crying and begging for it. She said 'Don't tease your bitch like that. Please put it in. I am begging you'. I spat on my dick and push it in her pussy at once. Believe me it was so tight like a virgin pussy that even I felt some pain on my dick. She was shocked but enjoyed it and started kissing me. She said 'Yes baby I want it for real. Now don't stop and take me to heaven'. I started thrusting on her and eventually increased my speed. Her moaning was also increasing with every second and started to echoing in the entire room. I got scared and started to think if Mira heard us she will be mad. I kissed her the entire time during sex. She bite my lips and I enjoyed it. I fucked her for 30 mins in missionary and change to doggy. I spanked her ass and again put my dick in her pussy. After a while, I cumed in her pussy and slept on her. We slept for a few minutes. Then I removed my dick and my semen was dripping from her pussy. I must say it was a pretty good and tiring sex I ever had. She hugged me and said 'Promise me that you will never left me alone'. I laughed at her and said 'Be prepared to get pounded by me. I will fuck you till you stop me'. She was happy to heard that and kissed me. We went to the bathroom to clean ourselves. We had another session there. After we return to her room. We had sex the whole night. We even tried anal and it was pretty good. We had at least 3 sessions that night (including cowgirl, 69 and many more).

After this, I checked the time and it was 6am. I immediately returned to Mira's room and slept for 2 hours. At 8am, I suddenly woke up as I feel some sensation in my dick. I opened my eyes and there's was she(Mira) giving me a blowjob. She said 'Good morning baby'. I was near my climax and cumed in her mouth. She swallowed it all. Then Gita aunty called us for breakfast. We got dressed up and had our Breakfast. I called both of them in the living room. I confronted both of them about what I was thinking. I said to them that 'I had sex with both of you last night'. Mira got shocked to heard that and Gita aunty shocked to see my bold move. I further said 'I know this is wrong but I love both of you and want you to be in my life for forever'. At fast Mira refused to join but eventually she understood my situation. I said 'I will fuck both of you tonight'. As soon as they heard it, they both got excited. Aunty said 'I will not cope up with you guys. So, please don't include me'. I said 'We had 5 sessions at last night. You can do it. For my sake please'. I started to cheer her up. She agreed finally. That night I satisfied both the mother and daughter at the same time. After that day, the life of us changed forever. After that whenever I went to their house to fuck them like hell. They too enjoyed my company.

Many things took place and 6 years past after this incident. Mira left her boyfriend Shyam. I and Mira both married to each other. I got a job at a MNC and soon after I promoted to Deputy Chairman of that company. Mira got a job at the same company for me. I mostly had to work from my house. I bought a new villa for us. And now who were wandering where was Gita aunty, she shifted with us to our new villa. We three have sex everywhere. We roam around the house naked. She is neither my Gita aunty nor my mother-in-law anymore but my another lover, Gita. She stays at our house as an elegant housewife, doing her work daily. Whenever I got time and my wife was out for her work. I used to fuck Gita anywhere anytime and she loves it too. There were no place in my house where I haven't fuck those two. We even hire a female escort and did foursome at a time. My life is going smoothly now. I fucked both of them but they where not pregnant by any chance. Gita aunty hit her menopause so she can't get pregnant anymore. I took Mira to check up for this. There I found that she is unable to bare a child. It was due to a genetic disorder which gives me the freedom to fuck them as much as I want. And most importantly they were my whole life now. This is my story as Raj. Hope you will love it.
