

ECSTASY (SEASON 1)

EPISODE 1 - The Wedding Gift I

Hello guys, my name is Mehul Garg. I am from West Bengal and this is my real story. I was 20 at that time. Hope you guys will love my story. So, this is how it all started...

I was in my first year of college and there was a long summer break going on which was about 50 days but I hadn't gone to my home as my hometown was very far away and I have to complete some of my college assignments. So I decided to stay at my college hostel and complete all my projects during this vacation. There was another guy staying with me, it was Vansh who was also my bestfriend at that time. After few days, Vansh received a call at night and he was very happy after that call. I asked him and he told that there was a grand wedding ceremony of her sister and he had to go to his home to attend that. I was curious to hear that and asked why were they so late to inform him about his own sister's marriage? He replied that they want to surprise him about it. I was happy to hear that. Then he asked

Vansh: You have to go with me. I am a bit scared of traveling alone.

I forget to tell you guys one thing that I was studying in a reputed college in Orissa.

Then I replied-

I: Please don't force me to go with you. I have to complete my projects or it will be pending for the rest of the year.

Vansh: I want to introduce you to my family members. My girlfriend is also coming. So please back me up.

He was from Lucknow, Uttar Pradesh. His girlfriend was living at his hometown. I thought of it and realised that I hadn't been to anywhere for last 5 years as of my study pressure. And the other reason is off course of the great meal there, that I haven't enjoyed for a while as he was from a quite rich business family. Because of all this reasons, I finally agreed. He was very happy and wanted me to introduce to his family members.

We left from the hostel at around 7pm and took our bus from a nearby bus stand. It was an hectic journey of 12 hours. We finally reached his house at around 11am. They booked an entire palace for her wedding. I was stunned to see such a great decoration. We went inside and saw Vansh's family waiting for us. They did some rituals on the entrance and there I saw Vansh's Mom. What an angel like figure she had. It can't be real but her figure was something

like 34-32-36. Her name was Divya. At first I thought she was her sister and confirm it from him. Then Vansh told me that it was her mom. I was shocked to hear that. I can't believe on my eyes. She was so gorgeous. She wore a white semi-transparent saree which was amazing. I was able to see her juicy boobs from outside. I couldn't able to control myself and wanted to feel that milky boobs in my hand. After the very second, Vansh whispered in my ears and said, "I will be going to my room with my sisters and mom will guide you to your room".

I nodded positively and went to my room following her. As she was walking in front of me, I can see her huge ass bouncing which gave me a sudden boner in my pants. After reaching to my room she told all the instructions. She got me a new sherwani and told to wear that after I got freshen up. She said-

Divya aunty: If you need anything just call me. Here is my number and come quickly to the dining hall after freshen up.

I: Thank you aunty for all your help.

Divya aunty: Please don't call me aunty. I am not that old you know. Just call me Divya.

I was shocked to hear that and said -

I: Thank you Divya.

When she heard that, she gave me a pretty smile and left. I went to the bathroom and masturbated while thinking her naked. I took shower, shaved my pubes and dressed up. I wore the sherwani and came out. I locked the door and went to the dining hall where Vansh and her sisters where talking and laughing. He introduced me to all of his sisters. They were 3 sisters and 1 Brother. Soon I started to crack jokes on them. They too were enjoying and even Vansh was. Suddenly, I felt someone put their hand on my shoulder. I turned around and saw it was none other than my sex goddess, Divya. She was in that saree and was drenched with sweat probably because of the hardworking in the wedding. I could clearly see her nipples pointing outwards through her white blouse.

She said to her daughters to go and get food for me and Vansh as we both were hungry and didn't eat anything for like 6 hours. After a few minutes, her sisters came and started to serve us. Divya sat beside me in a chair and started asking about our studies and college environment. But I started to focus on her cleavage. It was like a black hole. I could fuck that cleavage the entire day. After some time, she noticed me and started to fix her pallu. There was an expression of anger on the face. I shyly put my head down and then she left from there. I was a bit disappointed and thought that I can't fuck her anyway as she was not interested in me. After that I went to my room and slept for some hours. At around 5pm, I woke up as someone knocked at my door. I opened the door and saw Reshmi, one of Vansh's

sisters. I told her to come inside. She came with a set of new Sherwani. She was a bit shy. She kept it inside and told that-

Reshmi: Mother send this sherwani to you. She told to wear it and come to the Hall.

I: Why?? What was going in the Hall?

Reshmi(softly replied): We are arranging a get together party at the hall. All the guest and family members were present there waiting for you. Please come quickly.

The entire time she bowed her head to the ground. I came close to her and slowly raise her head. Now I could see her face clearly. She was not too chubby but a slight skinny Girl. She was wearing a Blue Lahenga and a matching top. She was looking very pretty like a Disney princess as I rose her head. Vansh told me earlier that Reshmi was her younger sister and that she was studying in 10 standard. She barely have any assets at her age. As I said she was a skinny girl so she neither had big breasts nor curvy asses like her mother. She started to stare at my eyes. I saw a chance and slowly began to make my move. As, I slowly approaching near her lips to kiss her, she closed her eyes. It was really cute to see her like that. I began to kiss her and she also started to co-operate with me. She pushed her tongue into my mouth and started kissing passionately. After an intense kissing of around 2mins, we heard someone's footsteps slowly approaching towards us. She pushed me and shyly ran outside the room while blushing at me.

I went near the door and saw Vansh coming. He said 'Let's go man, everyone is waiting for you to show up'. I changed my clothes quickly and went to the hall. I saw everyone was there talking with each other. Vansh called me to the stage and introduced me to everyone. I was quite shy to handle that much of people. Later, Vansh introduced me to her girlfriend, Ritika. She was a dark, skinny girl. I was shocked to see his taste in girls. I appreciate her and went to a corner. I saw Reshmi staring at me like she is going to eat me. She was a quite mysterious girl. After some time, Divya approached towards me with teary eyes and wiping it with her handkerchief. I was a bit concerned and asked her-

I: Hello Divya, What's the matter? Why are you crying?

Divya(ignoring my question): Did you eat something?

I: No. I am about to eat.

Divya: Let's eat together. I was hungry too.

I: Yeah, sure let's go.

She took me near the snack section and we began to eat. I looked at her and asked "Are you ok?". She replied "Yeah" and smiled. I cracked some funny jokes and she laughed. I didn't know why but I felt something for her. Now that she seems to be relieved, I told her to go back to the hall. We went to the hall and saw everyone were dancing together even Vansh dancing with her girlfriend. I was confused at first and suddenly someone took my name. It was Reshmi. She invited me to dance with her. We dance for some time. Then I looked at Divya and saw a drunk old man probably aged 50, was trying to grope her and dance with her. She was uncomfortable with that but the old man kept touching her body without saying anything. I confronted the man and pushed him back. He collapsed probably because he drank too much. She hugged me tightly from back. I could feel her soft boobs on my back and also her heartbeat which went crazy. Suddenly, she went upstairs crying and I followed her. I went to upstairs but couldn't find her. So, I decided to go to the terrace. And there was she, crying in a corner. She noticed me and wiped her tears. Then, she asked:

Divya: Why are you here? Please don't bother yourself with these things. You are the guest here but I feel so sorry for involving you in these matters.

I: Please don't cry. I am not only your guest but your son's friend. If you want to share anything with me please do it. I don't mind if you do so.

Divya: It's not right. It is my family matter. So I don't want to involve you in such situations.

I: See, I can understand your problem. But trust me, it will make your heart lighter.

Divya: Vansh's father... you know about him? He is a businessman who has been working overseas for 6 years. That's the last time I saw him. Today it was her daughter's wedding but he told me that he is unable to come. Is his work so important that he can't even attend his own daughter's wedding?

I: But I am sure that he is working to make his family happy...

Divya: I don't think so... One of his colleague told me that he has been with a lady employee lately. I don't believe it at first but after what happened today I believe that something is not right...

She again started crying. I went near her and consoled her. I hold her in my arms and said "Everything will be alright. Just believe in yourself." I can feel her heartbeat getting faster. "Was she into me?" I thought. She approached near my face and we were about to kiss. Suddenly, we heard a sound. "Mom are you there? Hey mom?" It was none other than Vansh. "Why this asshole always ruin the mood?" I thought. We quickly separated ourselves and went to him. He wanted to have dinner with us. So, we went to the dining hall and there were Vansh and his girlfriend setting next to each other. On the other side, there was me setting next to my sex goddess. My dick was throbbing hard inside my pants. Divya saw it after a while and put her hand on it. She whispered in my ears "We can settle this thing after dinner.

I am also excited". Wow, I could tell you how horny she was by looking at her face. She was rubbing my crouch and biting her lips.

After having dinner, she came to me and whispered in my ears. "My room no. is 204. I will be waiting for you". Now how could I deny it when you gave fish in cat's mouth? I was about to went to her room when suddenly someone hold my hand. I looked behind and it was Vansh. He asked me in a very growling voice, "Where are you going?". I was scared and through that he knew everything at this point. I somehow said, "Oh, I am just...". "Hey don't rush to sleep so early. Spend some time with us", he replied. "Ufff... he didn't get to know anything about it". "I gave an excuse that I was very tired" and went to her room to fulfil my dream.

I opened the door of the room 204 but didn't find her. I thought maybe she was gone but just then I felt that someone hugged me from behind. I turned around and it was her. I could see a glance of both excitement and horniness in her eyes. I leaned towards her and now we were kissing passionately like a couple. Both our tongue were dancing inside our mouth. It happened for around 7mins or so till she started to undress me and so do I to her. We get completely naked and kissed each other's body. She said "I can't wait now. Please put your thing inside me". I took my 7 inch cock and ramped it into her pussy. "Ahhh...", she shouted. I am so horny that I didn't even care about what she said. I began to thrust my dick inside her. It was so tight that I have to use my saliva. She probably didn't get a good fuck for years. But that night I gave her an ultimate experience of what she had been missing out. It started around 10 o'clock at night. At first I took her in missionary then turn her to doggy. At this point, she as shouting so loud that I had to put her panty in her mouth to shut her up. She was holding my hands the entire time, I fucked her. It was already 45mins or so and she had already cummed 6 times. Now, I was about to cum. I said her, "Divya, I can't hold it any longer. I was about to...". She put her finger on my lips and shut me up. She signalled me to cum in her pussy and so I did. I dumped a huge load of cum inside her. I took my cock out and wow, it was overflowing from her pussy. She took a bit in her hands and put it in her mouth to shallow it.

She turned towards me and started to clean up my dick. It was the sloppiest blowjob I ever had. With the rhythms of her blowjob, my cock got hard again. Suddenly, we heard someone knocked on the door. "Mom, are you there?". It was none other than this bastard. He didn't even get me fuck his mom. "I will kill this guy someday", I thought. "Yes, what do you want, beta?", she replied. "Can you please open the door?", he said. We got really scared. She said, "Wait a minute, beta". Divya somehow got dressed up to her nightgown and went to open the door. She open a little bit, just to sneak her head out. I got behind her as I was still naked underneath of it. I slowly moved her gown up to see her perfect ass but she was still trying to cover it with her one hand. She said to Vansh, "What happened beta?". "What are you doing mom? I was looking for Mehul. He was not in his room. Did you seen him?" "No beta, I was just taking a nap I was so tired you know", she replied. At this time, I began to eat her ass up

and now I positioned myself to enter into her pussy. He said "Ok mom, good night". "Good ni...ahh", she moaned softly as I entered her. "Oh, mom are you ok?", he asked. "Yeah it probably was my back, it was paining a lot today", she replied. As, she closed the door. He turns around me and said angrily, "Oh, Mehul, you are quite a naughty boy. You almost got me caught". I said "Do you like it?". "Oh yeah, it's risky but exciting at the same time to get caught by my own son", she said. I replied "Am I the naughty one here?". Hearing this, she threw me on the bed and we began to make out again. Our second session lasts around 30mins and I cummed inside my friend's mother again. Uff... it was such a steamy session. I filled up her pussy with my semen. We both were wet from sweat and cum. We went to the bathroom where we had an intense pussy eating session and she cummed around 8 times. It was like a never ending sex with my friend's hot mother. We went to the bed and she said "Mehul, I want to sleep naked with you". That night we slept naked hugging and cuddling each other.
