

KAMINI BHABHI

Chapter 1: The Beginning of an Era

A newly married Girl is getting fucked like an animal by her neighbour's son on her terrace. This is how it all started...

Kamini Bhabhi, a fully devoted housewife, just wanted to have a beautiful family and an amazing sex life. She was 20 at that time. She belongs to a poor family. Her father died because of Dengue and her mother, a hopeless poor widow, surrounded by the societal pressure to get her daughter, Kamini, married. She had no other option but to get her daughter married. Kamini, a simple young girl at that time, got a marriage offer from an upper middle class house. A young gentle boy, Mayur (24), was interested in Kamini Bhabhi. Her slim, smooth body with fair skin tone and her cute little face attracted many men towards her. She looks like a living form of goddess who came from heaven.

Soon after they got the marriage offer, her mother accepts it as they didn't not take any dowry from her. Kamini happily got married to Mayur. Kamini also liked Mayur for his decent and elegant nature. Her life completely changed as she got married. A new house and family which was bigger and better than her poor lifestyle. She thought that her life is going to change but it didn't gone accordingly. As time passed, Mayur's Family started to put pressure on Kamini to have a baby. They expected many things from Kamini which she was unable to fulfil. She was trying her best to fit in that family but never succeed. Soon after, Mayur lost his interest in Kamini. Mayur's Family started threatening and cursing Kamini. Kamini was left with no choice but to cry for her situation and accept her fate.

Her dream of having a beautiful family and a good sex life was broken into pieces in front of her eyes. She couldn't even tell her mother about this situation because she too will curse her for that. Mayur's Father noticed these things. He was a retired sports teacher of a profound institute, Mr. Sridutt (48). Sridutt was a tough build man. He had a dark brown skin tone and a good amount of muscles in his body. He stared at Kamini all time. He was the one who suggested Kamini to Mayur, not for Mayur but for himself. He was somehow obsessed with Kamini Bhabhi and wants to have sex with her. He tried all possible methods to seduce her and finally succeeded. He used to stare Kamini Bhabhi whenever she mops the floor and wash utensils or clothes like a hungry tiger. Kamini noticed it sometimes but she didn't care much.

One fine day he finally got the chance to seduce her daughter-in-law, Kamini. All of her family members were gone to visit the nearby village to meet their relatives. They were willing to stay there for a week. Sridutt stayed at his house due to his leg pain. Mayur's mother told Kamini to take care of her father in law. So, they left her at their house.

Mayur and his family left for the village and Sridutt was getting ready with his plans. At first, he thought to act normal in front of her. After one day, he called Kamini and ordered her to give him a glass of water. While drinking the water, Sridutt intentionally spilled the water on his shirt and again asked Kamini to change his shirt. Kamini brought a new shirt and started to remove the old shirt. While removing his shirt, Kamini observed the packs and muscle of his body with her hand. Sridutt noticed and letting her to do it. Kamini was losing her mind whenever she touches his body with her hand. Somehow, she control herself and changed his clothes.

Later that evening, Kamini was cooking Dinner at her kitchen. Sridutt was sitting on a couch and stared at Kamini. Her ass were round and big which often rubbed against each other whenever she walks. He acted like he had some intense pain in his leg and again ordered Kamini to massage his leg. Kamini brought a bowl of oil and started to massage Sridutt's leg. As she was massaging, her boobs were shaking and her cleavage was clearly visible to Sridutt. Seeing this, Sridutt got arouse.

While massaging, Sridutt put his left hand on Kamini's soft boobs. Kamini was shocked and got afraid of Sridutt. He said "Oh Sorry! It was just an accident". She stopped massaging him and again went to kitchen. Sridutt knew this very well that he can't get Kamini so easily. So, he have to make an absolute plan to lure Kamini into his trap. As the night passed by, he came up with a full proof plan.

Next day morning, He was sitting and watching news. Kamini came up to her and said that she was going to the temple for blessing. It was a golden opportunity for Sridutt to execute his plan. He went to Kamini's room and setup 3 hidden camera at different places which he bought from a local shop. Then he went to the bathroom and again placed a camera there. Now all he had to do is just waiting. He waited for the next day to check what has recorded where he found some spicy content of Kamini. The cameras that he had place in Kamini's room captured her nude body while she was changing her clothes. But the bathroom camera captured something more interesting.

It was the holy scene of Kamini Bhabhi masturbating under the shower. Sridutt knew of her needs and he will be the one to satisfy her. When she got back from the temple. Kamini called Sridutt to give him the prasad but Sridutt was ready to give her a different surprise. Sridutt called Kamini in his room. After giving the prasad to Sridutt, Kamini was about to leave the room when Sridutt called him and told her to sit beside him. Kamini went near him and sat. Sridutt took out his phone and played that video to Kamini. Kamini was shocked and feared at the same time. She requested Sridutt to delete the video but Sridutt had some other things in his mind.

He said to Kamini that, "Do as I say to you and the video will be deleted... but if you doesn't then the whole village will see your holy deeds". Kamini had no other option but to follow what Sridutt say to her. She was hopeless and began to cry and pleaded to Sridutt to not share the video and that she will do anything that he will say. Sridutt gave an evil smile to her and ordered her to close the door. Kamini does as he said to her. Sridutt grabbed her hand and made her sit on the bed. He came near her face and started to unzip his pants. Kamini was totally shocked but at the same time it was turning her on. Sridutt took his pants off and now he was only in his underwear. Sridutt grabbed her hand and put it on his cock which was about to burst from his underwear. Kamini felt that giant dick with her hand. Sridutt instructed her to open his underwear. When she opened it, his 8-inches long cock jumped and hit Kamini's face. She was awestruck to see such a big cock. She never saw a cock that big in her life. It's no match to the size of Mayur.

Sridutt ordered Kamini to take that dick in her mouth. Kamini resisted at first but she realised that she had no choice left. Kamini grabbed Sridutt's huge black dick and started to rub it with her hand. It was so big that even Kamini had to use her two hands to hold it. Sridutt put her hand beside Kamini's head and pushed it towards his cock. Kamini was shocked and couldn't breathe properly with such a big cock in her mouth. He started to push her further and now his cock was deep inside her throat. Kamini pushed herself away and gasped for a second. Sridutt said, "How is it bitch? Don't you like it?". Kamini was now in a deep trance of lust. She hold his black cock and started to lick it like there's no tomorrow. She just wanted to enjoy the moments that she was missing for years. She looked at Sridutt's face and said, "Your cock is the biggest I have ever seen. Let me worship it". This words of her turned him on and after sometime, he was about to climax. He positioned Kamini's face away from his dick. And with a sudden burst, Sridutt cummed on Kamini's face. Her face was fully covered with his cum and now she started to lick it from her face.

Suddenly the doorbell rang. They both fixed themselves and Kamini got downstairs to wash her face. She went to open the door and it was Mayur and their family. They came back from the tour. Mayur's mother asked Kamini about Sridutt to which she said, "Father is resting upstairs". After a while, Sridutt came to meet them. But the deeds that they started was still remained incomplete. Sridutt thought of it and came up with another plan in his mind.
